GDPR (General Data Protection Regulation)

Adult authorization for the use of photos and videos by CHLPV and ULPV

Within the framework of our sports activities, we use photos or films of skaters and other people in our associations (for our website, in various publications etc.). These are group photos or views of you.

In accordance with the current data protection law, we are obliged to ask for your written permission for this use.

We would like to point out that the use of the images is not for profit.

If you do not give your permission, you will either be removed from the picture or your face will be obscured.

I, the undersigned

- authorize the taking photos and/or films of me for video analysis for performance evaluation and improvement.
- authorize the taking and publication of photos and/or films of me (website, internal publications, press information ...).
- authorizes the journalists (written press, radio or television), intervening at trainings or competitions within the framework of a report, the taking and the publication of photographs and/or films of me.
- does not authorize any publication of photos and/or films of me.
