Nr 3 Season 2022/2023

## New competition season has started

During the weekend from 17-18.9 **Peter Murphy** skated in **Heerenveen** at the **National League KNSB-Cup prologue** and became first in his **division. Congrats Peter!**

Same weekend ISU arranged a **Regional Officials Seminar** where we had four new officials attending. All off them passed the examination. Here are the new officials: *Heidi Backström, Marco Kiesgen, Zhiyuan Yao and Kaj Backström. Congrats!*

The season 2022/2023 has started for all skaters. Not everyone has the best equipment yet but we will do the utmost to order new skates and blades. Furthermore we are welcoming all new skaters and their parents to the SHORTTRACK FAMILY.

**Please note** that the skaters need to have their skates and protections (shin and knee pads, helmet, gloves and neck guard) on **BEFORE** they go on ice. Additionally we would like to ask everyone's help with the assembly and disassembly of the protection mats. If you don't dare to go on the ice, you can also help off ice! Any help is appreciated.

Below you can find the next competitions where we'll have skaters participating:
